

## Compact Heavy Duty Stand

The Golfmechanix Bolt down Compact Heavy Duty Stand features a rigid structure with a wide stance, that transfers power progressively and efficiently to the hosel. A bending bar tray enhances functionality while providing additional bracing to the legs for enhanced stability. *Ships with anchor bolts and mounting screws*

▲ Cradled shelf accommodates up to Four bending bars

### **OPTION 150705 Heavy Duty 360° swivel base**

This Heavy Duty swivel base let clubmakers gain complete control over the position of a bending gauge, instead of working around it! Improves accuracy, adds control, saves time and eliminates fatigue when having to work through a whole set of irons.

- Quick position change over.
- Light touch rotation lock down.

▲ Base plate accommodates all the Golfmechanix lie & loft bending gauges.

▲ Fasteners supplied
