### ***Golf Club Rack***

A must have Golf Club Curing Rack that holds up to 12 clubs just assembled or awaiting alterations and repairs.

The rack can be mounted on to a wall or bolted on the side of a work- bench. The stops are coated in a thick PVC dip to protect the heads and shafts.

The Base of the display is covered with an alveolar foam that moulds around the head to prevent slippage. The rack is 17" wide by 8" deep.
